Welcome

Have you been looking for a group that:

- attracts people with a passion for nature and nature photography?
- is a group of dynamic people that are willing to share their knowledge and passion in a friendly supportive and constructive atmosphere?
- provides programs from well known leaders in the nature and wildlife photography field, programs from members, workshops, field trips and feedback on your own work?

Well, look to **Potomac Valley Nature Photographers** as a home for your passion. Everyone is welcome from beginners to seasoned professionals. No matter what your level of skill or equipment you are welcome. All you need is a passion for nature photography and a desire to learn and grow.

We hope that you will join us for this new endeavor to bring like-minded people together to share in the joys of this beautiful natural world we all share.

Meetings will be held on the **4th Friday of each month** at the U.S. Fish and Wildlife Service's National Conservation Training Center near Shepherdstown, WV, beginning at 7:00 PM.

For more information see our website:
